Description :

Prsentation de l'diteurWhat would it be like to stand head and shoulders above everyone else - and to keep growing? Unable to interact with a fragile world that isn't built to withstand your size? To live in a house that doesn't fit you anymore - with a wife who doesn't either? Craig Pressgang's life is well documented in his official CIA biography, *Giant Man: Pillar of America*, but the heroic picture it paints is only half the story. The continuous growth caused by Craig's strange medical condition brings a variety of problems as he becomes more isolated and unknowable. Told in three eras by three women with unique relationships with Craig, *3 Story* follows his sad life from his birth to the present. * Kindt's *Super Spy* was *Wizard's* "Indie Book of the Year"! "[Matt Kindt's] heavy, scribbly linework, executed with a precise but unfussy care, looks like nothing else out there." -NPRPrsentation de l'diteurWhat would it be like to stand head and shoulders above everyone else - and to keep growing?
