Prsentation de l'diteurFollow "Annabelle" as she takes you on various adventures, and ends up teaching you a new skill. Annabelle is a world traveler who is always fashionably dressed, and will not let anyone tell her what to do with her big bouncy hair. Her first task? Teaching you how to speak French! Biographie de l'auteur France Frederic is an engineer who saw a need for a multi-cultural heroine with brains and spunk. Everything about Annabelle, from speaking French, to not wanting to change her natural hair texture, is based on her life. France hopes that children reading this book will learn something valuable, and enjoy themselves in the

process. This book is the beginning of what she hopes will become a successful book series.
