Description : Description du produitWritten after the success of Tristram Shandy, Sentimental Journey records Sterne's surprisingly naive impressions on two European visits in the mid-1760s. In this vivid catalogue of misunderstandings and saucy stories, Yorick sets out for France without a passport in the middle of a war-and attracts the attentions of the police, a literary count, seductive shopgirls and grasping monks, finally sharing a bedroom with a lady and her maid.

Prsentation de l'diteurA sentimental story based on a journey undertaken by Yorick as he, along with his servant, travels through France. Their experiences are narrated in a vivid manner. Autobiographical glimpses are tastefully blended with fictitious incidents in the book. Gripping!Prsentation de l'diteurA sentimental

Publisher comments Founded in 1906 by J.M. Dent, the Everyman Library has always tried to make the best books ever written available to the greatest number of people at the lowest possible price. Unique editorial features that help Everyman Paperback Classics stand out from the crowd include: a leading scholar or literary critic's introduction to the text, a biography of the author, a chronology of her or his life and times, a historical selection of criticism, and a concise plot summary. All books published since 1993 have also been completely restyled: all type has been reset, to offer a clarity and ease of reading unique among editions of the classics; a vibrant, full-color cover design now complements these great texts with beautiful contemporary works of art. But the best feature must be Everyman's uniquely low price. Each Everyman title offers these extensive materials at a price that competes with the most inexpensive editions on the market-but Everyman Paperbacks have durable binding, quality paper, and the highest editorial and scholarly standards.
