Basketball For Dummies is a valuable resource to the many fans of this beloved sport, covering everything from players and personalities in the game to rules, regulations, and equipment. Completely updated with information and intrigue that's occurred in the sport since publication of the previous edition, Basketball For Dummies gets

you up to speed on everything from NCAA Tournament brackets to college players en route to the NBA. Coverage of the rules and regulations of the NBA Interesting topics like LeBron the Phenom, ESPN'S influence on the NBA, and the UCONN women's basketball dynasty Digger's take on John Wooden Whether you're a basketball player or a courtside spectator, Basketball For Dummies is a slam-dunk of information and intrigue for anyone who loves the sport..comBasketball for Dummies is another slam dunk in the Dummies series. Former Notre Dame head coach Digger Phelps begins with the fundamentals and quickly moves up court from there. By the final buzzer, you'll have pulled down pointers on how to play the game, how to look good on the court, how to coach it, how to watch it, how to strategize, and even how to talk trash on the playground. From H-O-R-S-E to Hoosier hysteria to the signature moves--Grant Hill's between-the-legs hesitation, Michael Jordan's fadaaway--of the greats of the NBA, Phelps has come up with a game plan that takes the game seriously, and teaches its nuances a helluva lot less painfully than running wind sprints between the foul lines.
