## Description :

Prsentation de l'diteurThis book of poetry is best decribed in the words of poet Dan Masterson: "I found this book of poetry to be beautiful, touching, and approachable. It had me in tears, and laughing, all within the space of a few lines. It covers childhood, early working years, family, social-consciousness, etc. all from a Northern Irish perspective - but highly applicable to any life, anywhere."Prsentation de l'diteurThis book of poetry is best decribed in the words of poet Dan Masterson: "I found this book of poetry to be beautiful, touching, and approachable.
