Description :

Prsentation de l'diteurWell-known watercolour painter Ann Blockley presents flowers through a variety of interpretations, from traditional to unconventional in both technique and concept. In this exciting new book she really pushes the boundaries of watercolour, showing how to paint a stunning range of flowers throughout the seasons. Everyone loves to paint flowers in spring and summer but Ann inspires you to paint dramatic seedheads, foliage, fruit and berries in winter, as well as the more traditional flowers and blossoms. She also demonstrates how to create exciting textures by using collage materials like glitter, sequins, salt and gold paint. Divided by seasons into four sections, Experimental Flowers in Watercolour is a practical and inspirational book aimed at the more experienced flower painter who wishes to take their painting to the next level.
