Description :

Prsentation de l'diteurPresenting the history of corsetry and body sculpture, this edition shows how the relationship between fashion and sex is closely bound up with sexual self-expression. It demonstrates how the use of the corset rejected the role of the passive, maternal woman, so that in Victorian times it was seen as a scandalous threat to the social order.Prsentation de l'diteurPresenting the history of corsetry and body sculpture, this edition shows how the relationship between fashion and sex is closely bound up with sexual self-expression. It demonstrates how the use of the corset rejected the role of the passive, maternal woman, so that in Victorian times it was seen as a scandalous threat to the social order.
