Description :

Prsentation de l'diteur"Filipino Combat Systems chronicles the creation, evolution and core concepts of one of the fastest growing martial arts in the world. It overcomes the shortcomings inherent in martial art instruction manuals by focusing not on technique, but on the strategy and philosophy of movement behind the technique. Written by a first generation student under the authority and supervision of the systems Founder and Grand Master, this work is an excellent introduction to the system. FCS is one of the most practical combat oriented martial systems in existence, bridging the gap between the ancient fighting arts

and the modern world."Prsentation de l'diteur"Filipino Combat Systems chronicles the creation, evolution and core concepts of one of the fastest growing martial arts in the world. It overcomes the shortcomings inherent in martial art instruction manuals by focusing not on technique, but on the strategy and philosophy of movement behind the technique. Written by a first generation student under the authority and supervision of the systems Founder and Grand Master, this work is an excellent introduction to the system. FCS is one of the most practical combat oriented martial systems in existence, bridging the gap between the ancient fighting arts and the modern world."Biographie de l'auteurMark Edward Cody began training in the Martial Arts in 1981. The Way of the Warrior led him to a lifetime study of the mental, spiritual and physical aspects of the fighting arts. In 1998 he became a 5th Degree Black Belt in Wado Ryu Karate/Jujutsu and a FCS Guro. In 2000 he published Bushido, his examination of warrior philosophy from a Christian perspective. Cody is an expert in many martial disciplines including Kenjutsu. For 15 years he operated one of Central Florida's largest martial art/tactical firearm studios. A lifelong friend, and first generation student of the FCS founder, Cody is uniquely qualified to write the first book about Filipino Combat Systems.
