Description : Description du produitEvery major foreign government organization has a file on British secret agent James Bond. Now, Russia's lethal SMERSH organization has targeted him for elimination. SMERSH has the perfect bait in the irresistible Tatiana Romanova, who lures 007 to Istanbul promising the top-secret Spektor cipher machine. But when Bond walks willingly into the trap, a game of cross and double-cross ensues, with Bond both the stakes and the prize.

Prsentation de l'diteurSMERSH, the Russian intelligence unit, is hell-bent on destroying Special Agent James Bond. His death would deal a hammer blow to the heart of The British Secret Service. The lure? The chance for 007 to bring the Spektor decoding machine from Istanbul to London, and for the British to take the upper hand in a chilling new front of the Cold War.So begins a deadly game of bluff and double bluff,

with Bond a marked man as he enters the murky world of Balkan espionage. From AudioFile "David Rintoul reads with urgency when exciting things happen, as tenderly as possible for Bond's love scenes . . . a campy classic." N.B.H.
