Revue de presse A little bit CW television series and a little bit Harry Potter, with a wee touch of manga-inspired storytelling. While that might all sound like an awful mix to some, Gotham Academy actually turns out to be a really fun and charming book. Nerdist.com As it turns out, its spooky, weird and like nothing DC Comics has ever released before.-- MTV News Slick, charming, and, dare we say it, fun. Each turn of the page pulling you further into the books beautifully imaginative world. IGN The book is quirky and cute, a Scooby Doo mystery wrapped in an anime shell and served with teenage angst on the side. Newsarama This series is so fun and inventive that it's hard to not love it. Cloonan, Fletcher and Kerschl understand how to make good -- no, great comics. Comic Book Resources Presentation de l'diteur Welcome to Gotham Academy, the most prestigious school in Gotham City.
