Description :

Prsentation de l'diteurRoy Strang is engaged in a strange quest in a surrealist South Africa. His mission is to eradicate an evil predator-scavenger bird, the marabou stork, before it drives away the peace-loving flamingo from the picturesque Lake Torto. But behind this world lies another: the world of Roy's bizarre family, the Scottish housing scheme in which he grew up, his mundane job, a disastrous emigration to Africa, and his youthful life of brutality with a gang of soccer casuals. As one world crashes into the other, this potentially charming story of ornithological goodwill mutates into a filthy tale of violence, abuse and redemption.Revue de presse"A superbly talented writer...anarchic and entirely invigorating" (Scotsman)"A wonderful success: a funny, cleverly composed, genuinely exciting and assured leap of a novel" (New

Statesman)"Extremely funny... As clever as Alasdair Gray, as elegant as Jeff Torrington, as passionate as James Kelman, Welsh has got it all" (Tibor Fischer)"Mind-bendingly good" (GQ)"Our most vital of contemporary authors" (i-D)Prsentation de l'diteurRoy Strang is engaged in a strange quest in a surrealist South Africa.
