Prsentation de l'diteurNot Alone, By Chantal Bellehumeur:Harmony Goodhumor didnt always get along with her younger sister Katherine, but the girls became close after their mothers death. When Harmony moved to another city for university, she missed Katherine very much.The girls tried to be there for one another as best as they could whenever a personal problem would occur, but there was only so much they could do for each other. There came a time when Harmony started feeling depressed and alone.One summer, Harmony decided to go visit Katherine in her new home. During her short trip to Moncton, New Brunswick, Harmony did more than just spend time with her sister and something unexpected happened during an excursion. When Harmony returned home, she started missing Katherine again as well as other loved ones. But, during her moment of blues she makes the realisation that she is not as alone as she feels.(Although

highly inspired by Chantal's trip to New Brunswick and her feeling of loneliness, this is a work of fiction.)Prsentation de l'diteurNot Alone, By Chantal Bellehumeur:Harmony Goodhumor didnt always get along with her younger sister Katherine, but the girls became close after their mothers death.
