Description : Description du produitThe explosive New York Times bestselling Oregon Files series returns! Juan Cabrillo and the crew of the covert combat ship Oregon have barely escaped a mission on the Congo River when they intercept a mayday from a defenseless boat under fire off the African coast. Cabrillo takes action, saving the beautiful Sloane Macintyre-who's looking for a long-submerged ship that may hold a fortune in diamonds. But what surprises Cabrillo is her story about a crazy fisherman who claims to have been attacked on the open sea by giant metal snakes in the same area. What begins as a snake hunt leads Cabrillo onto the trail of a far more lethal quarry-a deranged militant and his followers who plan to unleash the devastating power of nature itself against all who oppose them.

Prsentation de l'diteurSkeleton Coast is Clive Cussler's fourth Oregon Files adventure, featuring captain Juan

Cabrillo.1896: HMS Rove vanishes in a shocking storm off the African coast. Aboard is a fortune in stolen diamonds...Present day: Juan Cabrillo and the crew of the covert super-ship Oregon have just escaped a double-cross on the Congo River when they come to the aid of Sloane Macintyre - looking for some long lost treasure. Sloane's story is strange and when Juan checks it out, he finds that there's much more than just diamonds at stake on the African coast. A deranged militant and his followers plan to unleash a devastating power that will kill millions and cause worldwide havoc. Soon the Oregon is steaming to the rescue - but some forces are so extreme that even a hero like Juan Cabrillo thinks twice before getting involved...The number-one bestseller Clive Cussler, author of the thrilling Dirk Pitt novels *Crescent Dawn* and *Atlantis Found*, and co-author Jack Du Brul tell a gripping story of treasure hunting and treachery in the fourth novel of the adventure series *The Oregon Files*. *Skeleton Coast* follows *Sacred Stone* and *Dark Watch*. Praise for Clive Cussler: 'The guy I read' Tom Clancy Bestselling author Clive Cussler has kept readers on the edges of their seats for four decades with his thrilling action novels. As well as the *Oregon Files* series there are also the *NUMA Files*, the *Dirk Pitt* stories (which started it all), the *Isaac Bell* adventures and the *Fargo* series. The other titles in the *Oregon Files* are: *Golden Buddha*, *Sacred Stone*, *Dark Watch*, *Plague Ship*, *Corsair*, *The Silent Sea* and *The Jungle* and are all available in Penguin paperback. Audiofile Kudos to the unnamed editor who trimmed *SKELETON COAST* down to a slim six CDs without losing the flavor of the material.

And congrats to reader Jason Culp for breathing life into the story of the poor man's Indiana Jones. The novel features not Dirk Pitt, but the team of Juan Cabrillo and Sloane Macintyre as they search for a fortune in stolen raw diamonds lost in the Kalahari in 1896. Culp lends credibility to the characters and the Saturday afternoon movie serial of a story. If you like Cussler's previous work, you won't be disappointed. M.S.
