Dollycas's Blogspot.Rich with intrigue and mind-bending suspense, The 19th Element is a compelling read.  
Throughout the pages of his enrapturing new political thriller, author John Betcher takes the reader on a  
nonstop, action-packed ride of true-to-life adventure. Apex sA First Rate Psychological Thriller Highly  
Recommended. Readers Choice s.This book is now tied with Harlan Coben's CAUGHT as the best book I

have read this year. If you like a riveting, page turner this is definitely a book that should be in your hot little hands today. Lori Caswell. Top er and Book Blogger."Betcher writes with intelligence and humor. The 19th Element is an intriguing blend of Robert Parker wit and Vince Flynn action. A fun, exciting read for anyone who enjoys a well-written thriller." Lois Greiman, award-winning author of the Chrissy McMullen mysteries.A very realistically portrayed terrorist attack in an unusual setting provided me with a nerve-wrenching adrenalin rush. If you're into suspenseful thrillers, try this one on for size. Steven Moore for Book Pleasures s.John Betcher has written a realistic, page-turning, pulse pounding thriller. Doug Dorow, Author of The Ninth District.The book is a fabulous well-written thriller about nuclear terrorism. . . .In light of the Nuclear Plant disaster in Japan, John's thriller is a timely masterpiece. er.The 19th Element is an heart-pounding, pure adrenaline rush. I actually felt exhausted after reading it. This is probably one of the highest compliments that I could ever give. When I get so wrapped up in a book that I feel like I'm the main character, I know that I've read a winner! I loved this book! Bridget Hopper (KY). Book Blogger and er.The plot takes you right to the nail biting end, hoping that it all works out. You'll have to read for yourself to see what happens. It will be well worth your time. James Patterson move over because John L. Betcher can tell a fantastic story! er.SUMMARY: Terrorists plan to attack Minnesota's Prairie River Nuclear Power Plant, but they're not your typical band of Islamic extremists. True, there's an al Qaeda connection. But the heart of the terror cell is homegrown, right here in the United States.James "Beck" Becker is a former elite U.S. government intelligence operative who has retired to his childhood hometown of Red Wing, Minnesota just six miles down the Mississippi from the Prairie River Power Station. He recognizes connections between seemingly unrelated incidents a murdered agronomy professor, a missing lab assistant, an international cell call, a stolen fertilizer truck, an explosion in the street in front of City Hall but can't piece the story together in enough detail to convince government authorities that a larger threat exists. Only his American Indian friend, "Bull," will help Beck defuse the threat.So it's Beck and Bull versus the best terror cell west of the Mississippi.May the better men win.Présentation de l'auteurUSA Today Bestseller 2014.MORE THAN 160,000 COPIES SOLD.AMAZON TOP 100 Best SellerGOLD MEDAL THRILLER Readers Favorite Book Awards."Best Self-Published Book" Dollycas's Blogspot.Rich with intrigue and mind-bending suspense, The 19th Element is a compelling read.
