Description :

Prsentation de l'diteurHe owned a big house, a Lamborghini, the things that mattered. For nursing student Jake Althaus, running into mega music producer Adrian Donovan seemed like a dream come true. They got along, had similar interests, great chemistry, aspired both to be working men. . In time they shared everything. A home, a dog, a futureeven an HIV-positive diagnosis that to some would damn them to a life of loneliness. But when a cancer diagnosis upends their lives and threatens to destroy the reality of their existence, they will soon come face-to-face with the greatest question ever:Does love conquer all?Of life, of love, of the inseparable bonds that tie two people together, The Beauty that Is Us tells the story of two men who must use their fractured pasts to keep their futures alive, and their presents from falling apart.Note: If you purchased this book before June 2013, you are reading an older version that contains typos and

inconsistencies. This has since been fixed. Presentation de l'auteur He owned a big house, a Lamborghini, the things that mattered. For nursing student Jake Althaus, running into mega music producer Adrian Donovan seemed like a dream come true. They got along, had similar interests, great chemistry, aspired both to be working men. . In time they shared everything. A home, a dog, a future even an HIV-positive diagnosis that to some would damn them to a life of loneliness. But when a cancer diagnosis upends their lives and threatens to destroy the reality of their existence, they will soon come face-to-face with the greatest question ever: Does love conquer all? Of life, of love, of the inseparable bonds that tie two people together, *The Beauty that Is Us* tells the story of two men who must use their fractured pasts to keep their futures alive, and their presents from falling apart. Note: If you purchased this book before June 2013, you are reading an older version that contains typos and inconsistencies. This has since been fixed. Biographie de l'auteur Under his real name, Kody Boye has written several genre novels including the fantasy series *The Brotherhood*, the zombie novel *Sunrise* and a number of shorter works. His work primarily concentrates on characters whose stories are not often told, most particularly those in the LGBTQIA spectrum. As K.J. Boye, *The Beauty that Is Us* is his first novel. You can keep up with K.J. on his blog at <http://thecontemporarywriter.blogspot.com>.
